Reports

Chair Report – Abbey Cleland

- Jared Cleland attended the school council of council meetings November 28th in place of Abbey
 - o Some highlights are:
 - 800/9000 students are English Language as a second language
 - Kensington area is in the planning stages of a possible new school
 - Expansions for the Comp scheduled for 2026/2027 to increase school size to accommodate 450 more students
 - Looking into replacing Crystal Park School due to energy consumptions and the cost it has to keep open
 - 1.36% division enrollment over previous year but projected to be 3.1%
 - School enhancements or replacements are under planning stages at the moment, the board of trustees are advocating to the minister of education to get these passed in budgets. They strongly suggest parents of school's help advocate for our school division by sending emails or calling our MLA Nolan Dyck.

Trustee Report – Ray Buziak

- Report not available due to absence

Principals Report – Tracey Mark

- See Attached Report
- PAT results show Grande Prairie just below the results of the province. Roy Bickell does not have a trend due to the cancellation of some tests.
